

## TRIP TO PRATAPGARH FARMS

A trip to Partapgarh Farms, Jhajjar was organized by MAIMS on Saturday, 29<sup>th</sup> March 2014. Thirty three students from MBA I Year participated in the trip. They were accompanied by faculty coordinators Dr. Vijay Kumar Khurana and Ms Kalpana Sharma. The bus started from Pitampura Metro Station around 07:15 am. Rains in the last few days had made the climate favourable and the journey quite enjoyable. The bus reached the Partapgarh Farms around 09:45 am. The students enjoyed all the activities. Many activities encouraged team spirit and fostered group cohesion. After a hectic day, students went for ‘Mud Bath’ followed by ‘Tubewell Bath’ which was highly refreshing and evaporated all the fatigue. The return journey commenced around 04:30 pm and the bus returned back to Pitampura Metro Station around 07:00 p.m. The trip was a huge success for all the participants. Each and everyone carried home fond memories and forged greater bonding as a group. It was a great learning experience.
