

# *Annual Day 2018*

The annual day of Maharaja Agrasen Institute of Management Studies is celebrated every year and this year (10<sup>th</sup> February, 2018), it was graced by Dr Subhramaniyam Swami, Member Parliament of India as the chief guest; Dr. Nand Kishore Garg ji (Founder Chairman, MATES and Chancellor, Maharaja Agrasen University, Himachal Pradesh) presided over the event. It was also graced by Shri Prem Sagar Goel (Chairman, MATES) and other distinguished trustees of the Governing board, executive trustees, parents of the students, teachers and students. The chief guest, Dr Subhramaniyam Swami highlighted the fact that bigger the risk, bigger the return and motivated the students to develop the right mindset for success. Dr. Nand Kishore Garg emphasized on attaining high positions with Indian values. On this occasion, annual report about the working of MAIMS during the academic session 2017 – 18 was presented by MAIMS Director, Prof. M. K. Bhat.

It was quite satisfying that MAIMS has attained new milestones in academic and extra – curricular activities. The highlight of the speech was not only the positions attained in all streams by our students in academics from GGSIP University but also the students who brought laurels for the Institute by representing it in various national and international conferences, fests and sports. It may be worthwhile to mention here that a student, Viplesh Yadav of 2014-2017 BBA batch was selected as a delegate for Harvard Conference, Harvard Project for Asian and International Relations, 2018.

In sports, our students won gold medal at various places, mention can be made of St Stephens, Shri Ram College of Commerce, etc of Delhi University and IIT BHU, etc. Owing to focussed all round development laid by MAIMS, our students have got high acceptance by national and Multi National Companies, like Ernst & Young, McKinsey and Co, Amazon, etc. While concluding the annual day it may be held that MAIMS as usual is on the growth trajectory year after year. This year's annual report indicated many significant developments from the past year.

The annual day ended with a good meal and enjoyed by students, faculty, guests and parents.
