

Visit to NSIC Okhla

On 6th March'18, 36 students from Incubation Cell of Maharaja Agrasen visited NSIC's Incubator and Technical Services Department. National Small Industries Corporation works with the agenda of Swarozgar, i.e., self-employment. To accomplish this goal they are facilitating various programs from which one can gain directly. They have segregated there program under 2 major branches namingly Incubator and Technical Services department. They encourage entrepreneurship so that an entrepnuer can employe 10 person rather than being an employee himself.
