

## **PLACEMENT CELL OF THE INSTITUTE**

MAIMS has a exclusive placement cell to cater to the training, development and recruitment needs of its students. The cell stands committed to assist all its graduating students to get placement in an organization of repute in their preferred area of specialization. Every year campus placement is being organized for the students to offer summer placements, final placements and live projects. The cell conducts various trainings as per the specific specialization. Professionals from technical background are brought to share their expertise and knowledge to create a competitive edge for the students. The cell primarily focuses on improving the employability quotient of its students to make them job fit across sectors. The cell offers profiles in the area of research, business development, brand promotion, human resource and operations. Some of the esteemed recruiters in association with the management section are Genpact, Naukri.com, CSC India, Amazon, IBM India, Windshield Experts, Club Mahindra, HDFC Bank, Times Internet Solutions, Royal Bank of Scotland, Ernst and Young, Asahi India, Jeevan Sathi.com, Protiviti Consulting, ZS associates and the list goes on.

The cell focuses on the students training to prepare them for the corporate world. The training and recruitment process continues till the end of academic session every year.

### **Following soft skills sessions are primarily conducted during every academic session:**

- ❖ Career Mapping
- ❖ Work Readiness
- ❖ Personal Effectiveness and leadership
- ❖ Business Etiquettes
- ❖ Brand Yourselfs
- ❖ Time and stress management
- ❖ Business presentation skills
- ❖ Resume Making, Preparation for Interviews and Group Discussion
- ❖ Business Communication
- ❖ Case study Presentations

### **Various technical training are also organized on the following aspects:**

- ❖ Digital Marketing
- ❖ Advanced Excel
- ❖ Financial Planning
- ❖ Business Research

These sessions are not only informative for the students but also prepare them to face the selection process in companies. Such skill based approach is being used increasingly amongst students to encourage sound decision making and business acumen to make them employable by the business incorporations.
